The subscription year runs from June to May. New applicants wishing to join the Society after December each year will only be asked to pay half the subscription fee for the balance of that year.

For record purposes, it would be appreciated if you would complete the questionnaire below :-

1. Main interests in the society (e.g. theoretical or practical archaeology – excavation, fieldwork, survey etc.)

.....

2. Specific archaeological interests – Period – Subject etc. (e.g. Roman, medieval, pottery etc.)

.....

CONDITION OF MEMBERSHIP – The Society disapproves, for scientific and ethical reasons, of the practice of treasure-hunting on archaeological sites solely for private and personal gain. However, the Society welcomes responsible metal detectorists who search with the landowner's permission and promptly have their finds fully recorded through the Portable Antiquities Scheme. The applicant, by signing the application form, is expected to subscribe to that view both in principle and in practice.
