## NCAG Open Day 2013 Location Map

### Parking instructions and directions:

Unfortunately we are unavailable to park in St Nicholas school car park as there are building works during the summer. However, parking is available at Baldock Arena Football Club on Norton Road

Parking is available on Norton Rd and Talbot Way. Please do not obstruct residents drive ways. Stapleton's Field can then be accessed either via the foot path from Green Lane or from Church Lane.

Church Lane and Green Lane are too narrow to accommodate parked vehicles without obstructing residents and other traffic.

If you are entering Stapleton's Field via the footpath at the end of Church lane, continue to follow the path around the right hand side of the Victorian semi's at the end of Church Lane.

You must walk on the Southern side of the wire fence towards the site.

Residents would prefer that you do not park in Croft Lane. Thank you
